Civilian Defense Volunteer Office

Upon the request of a number of clubs and individuals, Mr. Fred L. Crow, Commander of Civilian Defense, called a meeting on September 15, 1942, and formed what is now known as the "United Civic Clubs of Greer".

A plan was formed at this meeting to give the "Selectees" something as a remembrance from their home town. After some discussion, "Buddy Bags" was voted the best gift. These bags were made of khaki and shoe strings used for ties. From time to time the contents varied, but the following were used:

- Tooth paste
- Soap
- Handkerchiefs
- Cigars
- Cigarettes
- Testaments
- Chewing gum
